 Architecture and Urban Planning, Furniture Design, Industrial Design, Graphic Design, Model Making.
 Founded the design studio in 2009 together with my business partner Anna Strzelecka, with focus on architecture and industrial designs for the domestic market. After extensive material research, participation in international design fairs, model making, and sourcing of manufacturing, I was in production of prototypes for contemporary furniture. I also provided architectural services for a growing list of private clients in Ireland and abroad. We were awarded a prize for the best design product in the London Design Festival 2013
 Selected exhibitions of our design work:
 - Design Week 2010, 2011, 2012 and 2013 Dublin /Ireland,
 - Salone Internazionale del Mobile 2012 – iSaloni Milan /Italy,
 - London Design Festival 2013 London /England,
 - Vernacular 2014 - National Craft Gallery, Kilkenny /Ireland.
- Feb 2006 **Murray O'Laoire Architects** <http://www.molaarchitecture.com/>
 Jan 2009 Address: Fumbally Square, Fumbally Lane, Dublin 8, Ireland.
 Telephone no +353 1 453 7300
 Position: Architectural Assistant
 Full-time work - mainly with Microstation and Photoshop. I prepared:
 - Cromcastle Shopping Centre - apartments, libraries, medical centres, sports facilities and huge retail outlets, Dublin, Ireland,
 - Clongowes Wood College – sports and arts facilities, Jesuit Schools Ireland, Co. Kildare, Ireland,
 - Retail interiors in Athlone Shopping Centre, Co. Westmeath, Ireland,
 At MOLA I learned how to work under pressure and use my computer skills in the most efficient and effective way. Moreover, I became adept at working with teams and in being able to communicate my ideas to a broad audience. I sharpened my time management skills, coping with demanding tasks and multiple priorities.
